

PARISH COUNCL REPORT (September – November 2021)

Throughout the pandemic the Council has been hosting meetings via Zoom. Unfortunately, the Legislation has not extended past 6 May 2021. This now means the Council has to hold face to face meetings in the Village Hall rather than the Pavilion as there is more room to socially distance and to ventilate the Hall.

Full agendas and minutes are available at <http://www.the-eversdens.co.uk/parish-council/>

Planning Applications

Decisions on most planning applications are made by the District Council but the Parish Council is usually invited to comment. All Parish Council recommendations can be found on the website listed above.

Highways Reporting

You are able to report highways faults directly online to the Council. This covers pot holes, overgrown trees and hedges, uneven pavements, flooding. Simply logon to the interactive map and report the fault:

<https://www.cambridgeshire.gov.uk/residents/travel-roads-and-parking/roads-and-pathways/roadworks-and-faults>

Contact the Clerk

The Parish Clerk works part-time. If you e-mail requires a response you should hear back within 3 working days. If the matter is urgent please include "URGENT" in the subject, if you do not hear back within 24 hours please ring 07762 229 195.

Best wishes and stay safe.

Karen Easey

Parish Clerk
